Description :

PDF-80293 | Where would we be without conversation? Throughout history, conversations have allowed us to see different perspectives, build ideas, and solve problems. Conversations, particularly those referred to in this book as academic conversations, push students to think and learn in lasting ways. Academic conversations are back-and-forth dialogues in which students focus on a topic and explore it by build... *Academic Conversations: Classroom Talk that Fosters Critical Thinking and Content Understandings*
