Description :

PDF-ea867 | Active Listening, Second Edition, is grounded in the theory that learners are more successful listeners when they activate their prior knowledge of a topic. Student's Book 1 is intended for beginning-level students. The Student's Book offers 16 task-based units, each built around an engaging topic. Through a careful balance of activities, students learn to listen for main ideas, to listen for deta... *Active Listening 1 Student's Book with Self-study Audio CD*
