Description :

PDF-05357 | The Aims of Argument, a comprehensive text for teaching argument, recognizes that people argue with a range of purposes in mind: to inquire, to convince, to persuade, and to negotiate. It offers a clear, logical learning sequence rather than merely a collection of assignments: inquiry is the search for truth, what we call an earned opinion, which then becomes the basis of efforts to convince other... *The Aims of Argument: A Text and Reader*
