Description :

PDF-3b57f | Classroom Observation Tasks shows how to use observation to learn about language teaching. It does this by providing a range of tasks which guide the user through the process of observing, analysing and reflecting, and which develop the skills of observation. It contains a bank of 35 structured tasks which are grouped into seven areas of focus: the learner, the language, the learning process, the ... *Classroom Observation Tasks: A Resource Book for Language Teachers and Trainers (Cambridge Teacher Training and Development)*
