Description :

PDF-bd0c0 | “This new edition is brighter, shinier, more complete, more pragmatic, more focused than the previous one, and I wouldn’t have thought it possible to improve on the original. As the field of software architecture has grown over these past decades, there is much more to be said, much more that we know, and much more that we can reflect upon of what’s worked and what hasn’t—and the authors... *Documenting Software Architectures: Views and Beyond (2nd Edition)*
