Description :

PDF-b31a1 | When you're learning a new language, a cognate is an easy word to remember because it looks and means the same thing as a word you already know. For example, "gratitude" in English means the same as "gratitud" in Spanish. A word is cognate with another if both derive from the same word in an ancestral language. In the case both coming from the Latin word "gratitude", meaning "thankfuln... *English: Cognates Fast Track Learning for Spanish Speakers: Learn what you already know identifying the 100 most frequent similar words in both ... examples.
