: **Examining Listening: Research and Practice in Assessing Second Language Listening (Studies in Language Testing)**

ISBN : #1107602637 | Date : 2013-05-20

Description :

PDF-7342d | This volume examines the nature of second language listening proficiency and how it can be assessed. The book highlights the need for test developers to provide a clear explication of the ability constructs which underpin the tests they offer in the public domain. This is increasingly necessary if claims about the validity of test score interpretation and use are to be supported both logically and... *Examining Listening: Research and Practice in Assessing Second Language Listening (Studies in Language Testing)*
