Description :

PDF-30307 | In recent years the concept of 'register' has been increasingly replaced by emphasis on the analysis of genre, which relates work in sociolinguistics, text linguistics and discourse analysis to the study of specialist areas of language. This book is a clear, authoritative guide to this complex area. He provides a survey of approaches to varieties of language, and considers these in relation to com... *Genre Analysis: English in Academic and Research Settings (Cambridge Applied Linguistics)*
