Description :

PDF-20928 | College students are expected to master new genres in every course they take. Yet composition instructors can't possibly teach students every genre they will need for their college courses or careers. Instead of telling students how to write a genre, authors Jack and Pryal help students learn how a genre works using a genre toolkit that asks three questions: "What is it?" "Who reads it?" and "What... *How Writing Works: A Guide to Composing Genres*
