ISBN : #1138804959 | Date : 2015

Description :

PDF-a3843 | Grounded in both theory and practice, with implications for both, this book is about children's perspectives on the borders that society erects, and their actual, symbolic, ideational and metaphorical movement across those borders. Based on extensive ethnographic data on children of immigrants (mostly from Mexico, Central America and the Philippines) as they interact with undergraduate students ... *Immigrant Children in Transcultural Spaces: Language, Learning, and Love*
