Description :

PDF-843cd | 2018 Edition. 178 pages. This book is about the first challenge of research writing: how to structure many, complex details into a coherent whole. It offers a method for building a structurally sound research paper from scratch. The book is primarily intended for PhD candidates and postdocs but could also serve researchers on the tenure track. Most examples in the book come from research papers in... *The Little Book of Research Writing*
