ISBN : #0521729742 | Date : 2008-12-15

Description :

PDF-5e004 | This volume, through a detailed treatment of the cognitive processes that support reading, explains how reading really works. It offers a thorough overview of important and current research, including first language research, which is not often found in second language acquisition (SLA) publications. This book is a true example of applied linguistics; it makes well-defined linkages between theory ... *Reading in a Second Language: Moving from Theory to Practice (Cambridge Applied Linguistics)*
